- CF has met Photographer Stephen Kitchener who is interested in recording morris dance - photo & video. Looking to collaborate next year.
- Be on the lookout for unusual/interesting locations.
- Aims for end of April:
  - Enjoyment - having a good time with friends
  - More musicians able to lead more dances.
  - Improved performance overall.
  - positioning - dancers re musicians + musicians re lead
  - clearer cues to musicians about next dance - CF & RC to coordinate + Develop "standard set list"
  - Smile more - all performers.
  - Caller to learn the dance calls - avoid cards
  - Good calendar of events booked
  - Dances learned - regular sets + Black Joke; Dark Side; Ivinghoe Poacher + one more (Monkey?)
  - CF to remember to bring milk!
  - CF having party Sat 27/7/24 - all invited
  - Every time one of us learns something new, corrects a mistake, improves a performance the side as a whole gets a bit better
